Re: TracFone Wireless, Inc., Docket No. 2009-144-C

Dear Ms. Boyd:

Enclosed please find amended second and third quarter compliance filings for TracFone Wireless Inc ("Tracfone"). The previous filings erroneously identified certain customers as having been enrolled in Lifeline based on participation in programs which are not Lifeline eligible in South Carolina, namely Supplemental Security Income (SSI), Low Income Home Energy Assistance Program (LIHEAP), and Section 8 Housing assistance. The error arose because TracFone's customer records for certain periods included information on customer participation in these programs. While the customers in question did participate in these programs, all except one also participated in an eligible program (i.e. SNAP, TANF or Medicaid). As a result, the two reports have been refiled, with the numbers updated to reflect customer participation in the three eligible programs only. We are currently investigating the customer who may have been approved based on participation in ineligible programs only. We will advise of our results.

This issue was brought to our attention by the Office of Regulatory Staff, and they have been copied on this letter. Feel free to contact me if you need more information. I can be reached at (305) 715-3613.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Athanson".
